<Overseas> University of Malaya, Philippine Children's Medical Center, Mahidol University and Universitas Indonesia

Zoom: <https://zoom.us/j/94255398200?pwd=dmMvTWhGSUhTaFU3cmxjVXhHNWg4Zz09>

ID: 942 5539 8200

Passcode: 514246

PROGRAM

◇ 11:00 - 11:05 (JST) OPENING REMARKS

Makoto Sato,
Professor, Dean of UGSCD, Osaka University

◇ 11:05 - 12:15 ANNUAL REPORT 1

Chair: Atsushi Senju
Professor, Hamamatsu University School of Medicine

◆ 11:05-11:45 《JAPAN (UGSCD)》

AMAZE-CpG: A peripheral-brain DNA methylation correlation database for Japanese and Asian

Shota Nishitani
Assistant Professor, University of Fukui

Japan-Korea-UK International Collaborative Research on Brain Connectivity during Motor control in Children with ASD

Kyung-Min An,
Assistant Professor, Kanazawa University

◆ 11:45-12:15 《University of Malaya》

Proposed use of the JSQ-P in preschoolers with developmental disorders & an update on the validation study in Malaysia

Dr. Subhashini Jayanath
Senior Lecturer, Dept. of Paediatrics

Prevalence of pain in adolescents with cerebral palsy

Dr. Aishah Ahmad Fauz
Senior Lecturer, Dept. of Rehabilitation Medicine

Assessing knowledge, attitude and perception of the use of cannabis oil as adjuvant therapy for young people with neurobehavioral issues

Dr. Aida Syarinaz Ahmad Adlan
Senior Lecturer, Dept. of Psychological Medicine

[BREAK TIME: 12:15-12:30]

◇ 12:30-13:40 ANNUAL REPORT 2

Chair: Yoshifumi Mizuno
Associate Professor, University of Fukui

◆ 12:30-12:50 《Philippine Children's Medical Center》

State of Neurodevelopmental Disabilities at the Philippine Children's Medical Center amidst the COVID-19 pandemic

Dr. Ermenilda Avendano
Chief- Child Neuroscience Division

◆ 12:50-13:15 《Mahidol University》

Progression of the research entitled "Translation and Validation of the Thai Version of the Japanese Sleep Questionnaire for Preschoolers (JSQ-P)" and further research in children with neurodevelopmental disorders in Thailand

Dr. Lunliya Thampratankul, Associated Professor
Dr. Natcha Lueangpapong, Pediatric neurologist
Dr. Mantita Tippawanich

Data collection in the International Clinical Registry on Neurodevelopmental Disorders (REDCap): progression and limitation in Thailand

Dr. Jariya Chuthapisith, Associate Professor
Dr. Mantita Tippawanich

◆ 13:15-13:40 《Universitas Indonesia》

Patterns of Morbidity of Children with Cerebral Palsy at Cipto Mangunkusumo Hospital during the COVID-19 pandemic

Dr. Amanda Soebadi

◇ 13:40-13:55 DISCUSSION

Chair: Kenji Tsuchiya
Professor, Hamamatsu University School of Medicine
Facilitator: Masaya Tachibana
Associate Professor, Osaka University

《Discussion about proposal for new collaborative research》

《Discussion about Registry》

◇ 13:55-14:00 CLOSING REMARKS

Yoshiyuki Hirano
Professor, Chiba University
